Screening and Event Planner

MHN HealthZone™ screening and event planner – This planner is designed to help you create screening projects, health fairs, and symposiums. Featuring a step-by-step planning guide and a CD-ROM providing flyers, prepared letters, data analysis report templates, press releases, and other items critical to the planning and success of an event. Also features a free printable men's health facts brochure. The easy-to-use CD-ROM documents are in Microsoft Word and Adobe formats.

This planner is being used by corporations, public health agencies, hospitals, physicians, and community based organizations. Users become MHN Health Partners and receive 50 free brochures of their choice when they complete and return the usage report included on the CD-ROM.
