

ATTENTION MEN!

Do you know
what's under
YOUR hood?

*Men age 50 and older should get their
colon checked regularly.*

Insured? Talk to your doctor about your check up.

*Uninsured? The Cancer Services Program makes getting
this check up easy! We offer a **FREE do it yourself at home**
colon cancer screening kit to uninsured men age 50+.*

**Call to get a FREE kit mailed
to you**

1-866-442-2262

The Cancer Services Program of New York
provides the following cancer screenings to **men**
and **women** at **no cost**:

Colorectal Cancer Screening (men and women ages 50 and older)

Cervical Cancer Screening (women ages 40 and older)

Breast Cancer Screening (women ages 40 and older)

Colon cancer is preventable, treatable and beatable!
